RE: John Claims
Mineral Recovery Corp.
ACT/019/011

Dear Mr. Lipp:

I have reviewed Mineral Recovery Corporation's letters of January 21, 1980 and February 15, 1980, in response to Mr. Daniels' February 8, 1980 letter.

The Division approves the request from Mineral Recovery Corporation to hang air and water lines, and clean up approximately 600 feet of drift with the stipulation that no material shall be removed from the underground workings to the surface.

A copy of this letter and a copy of Ms. Janice Crepean's letter of February 15, 1980 is being sent to Mr. John Blake of the Division of State Lands to clear up any confusion and to inform him of the Division's action.

If you have any questions, please do not hesitate to contact me.

Sincerely,

THOMAS J. SUCHOSKI
RECLAMATION HYDROLOGIST
